Coastline Calvary Chapel requires strict compliance with rules and regulations, including the rules concerning conduct, dress, and Christian lifestyle. These are explained in the Team Covenant, which will be provided to accepted team members. Failure by team members, leaders, and staff to comply with these policies is grounds for dismissal, without refund or reimbursement. Team members, leaders, and staff serve at their own risk, and Coastline is not liable in the event of sickness, accident, death, or terrorist acts for transportation and any other expense beyond normal involvement. **Application fees and all sponsor funds received by Coastline are contributions and are not refundable.** To receive a tax deduction, the IRS stipulates that the donor must release control of all funds donated to a non-profit organization. For this reason, contributions from sponsors cannot be refunded, nor can they be designated to any specific person. The individual will be a fundraiser and will receive credit for raising funds equal to the price of his/her trip. We require all participants to be in good physical condition, and we may require a doctor's reference and exam.

I have read and understand the above information. The information I have given Coastline is accurate and true to the best of my knowledge. My signature signifies my approval of all limitations listed above.
